

FAT TUESDAY FUNRAISER

Who doesn't love **DONUTS**?!?! Let's celebrate Fat Tuesday and raise money for the Key Store!

The key store is an incentive program where kids earn keys for good behaviors. They then can visit the key store and "buy" items with their keys. Keys help children in their character development to lead to a better self image, better relationships with others, and a better life. To ensure that we have a great selection for the students to pick from we are doing a Fat Tuesday FUNraiser. Thank you for participating in this fun activity and supporting the key store.

Orders due by Friday, February 28

To help keep record keeping easy as possible please fill out an order form for each student. Cash payment is preferred. Please return orders in an envelope marked with your child's grade and "Fat Tuesday". You may also send Venmo to @Kasie-Ralls-1 and note "Fat Tuesday".

Child's Name _____

Grade _____
